TANF, or FDPIR case number for all children for whom they are applying, then the application must contain all the information as required for “other households” as described below.

**Other Households:** Households with incomes the same or below the amount of money listed above for their family size may be eligible for and are urged to apply for free and/or reduced price meals. They may do so by filling in the application forms sent home with a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year to Dawn Boyes of the district Food Service Department.

The information provided on the application will be confidential and will be used for determining eligibility. The names and eligibility status of participants may also be used for the allocation of funds to federal education programs such as Title I and National Assessment of Educational Progress (NAEP), State health or State education programs, provided the State agency or local education agency administers the programs, and for federal, State or local means-tested nutrition programs with eligibility standards comparable to the NSLP. Eligibility information may also be released to programs authorized under the National School Lunch Act (NSLA) or the Child Nutrition Act (CNA). The release of information to any program or entity not specifically authorized by the NSLA will require a written consent statement from the parent or guardian.

The school district does, however, have the right to verify at any time during the school year the information on the application. If a parent does not give the school this information, the child/children will no longer be able to receive free or reduced price meals (free milk).

Foster children may also be eligible for these benefits. A separate application for a foster child is no longer necessary. Foster children may be listed on the family application which must contain the foster child's name, personal use income.

Under the provisions of the policy, the designated official will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the designated official, he/she may make a request either orally or in writing for a hearing to appeal the decision. . The request for a conference shall not in any way prejudice or diminish the right to a fair hearing.

Rabbi Menachem Fruchter, principal can be contacted for any and all questions. If you do not agree with the decision, you may discuss it with Rabbi Fruchter by calling 1.845.794.7890 or emailing him at [hebrewdayschool@gmail.com](mailto:hebrewdayschool@gmail.com). If you wish to review the decision further, you have a right to a fair hearing. This can be done by calling or writing me to discuss this matter further.
